## AUTOMATIC DIGITAL PRESSURE GAUGE

- **Auto ON/OFF.** If the gauge detects a change in pressure above 3 psi, the gauge will automatically turn on. The pressure gauge will remain on for the full duration while using the spray gun and will turn off once the air hose is disconnected.
- Diaphragm control allows for precise air control for best paint results
- Lightweight forged aluminum housing. Replaceable CR2032 battery

Product Specifications	
Pressure Gauge Range	3-160 psi
Air Inlet/Outlet	1/4" NPS
Pressure Resolution	0.5 psi
Operating Temperature	32°F to 122°F
Weight	4 oz

Made in Taiwan
